Re: KeySpan / National Grid
WC Docket No. 07-55

Dear Ms. Dortch:

The Department of Homeland Security ("DHS"), with the concurrence of the Department of Justice, including the Federal Bureau of Investigation ("FBI"), requests that the Federal Communications Commission ("Commission") defer action in the above-captioned matter.

DHS, DOJ and FBI ("the agencies") are currently reviewing this matter for any national security, law enforcement, and public safety issues, but the agencies have not yet completed that effort. We therefore are requesting that the Commission defer action until such time as the agencies notify the Commission of the completion of their review.

The agencies will advise the Commission promptly upon completion of our review.

Thank you for your consideration.

Sincerely,

/s/ STEPHEN HEIFETZ
